- The management fee imposed on the outstanding balance for this Credit Card-i is based on a tiered pricing structure in accordance with your payment history.

In the event a Cardholder opts to only pay the minimum amount of five percent (5%) of the outstanding balance under the Installment Payment Plan (“Outstanding Balance”) or Ringgit Malaysia Fifty (RM50), whichever is higher, instead of the Monthly Installment in full, the management fee shall apply.

- If we detect any unusual or suspicious activity on your Credit Card-i Account, we may temporarily suspend your facility privileges until such activity is verified.
