- If you pay only the minimum amount due, the interest charges and the time taken to settle the full amount will increase. Think about your repayment capacity when charging to BSN Credit Card.
- If you use your Credit Card to make repayment for other financing, it may cost you more.
- The finance charges imposed on the outstanding balance for this Credit Card is based on a tiered pricing structure in accordance with your repayment history.
- To avoid finance charges being imposed, all Cardholders who have subscribed to a “zero interest” monthly payment

plan are required to make payment of the monthly installment specified by the Bank at the time the Installment Payment Plan is entered into ("Monthly Installment") in full. In the event a Cardholder opts to only pay the minimum amount of five percent (5%) of the outstanding balance under the Installment Payment Plan ("Outstanding Balance") or Ringgit Malaysia Fifty (RM50), whichever is higher, instead of the Monthly Installment in full, the finance charges shall apply.
